

# Equality Impact Assessment

Name of project/proposal Parish Lengthsman Scheme  
Originator Pillans, Mike  
Email address mike.pillans@hants.gov.uk  
Department Economy, Transport and Environment  
Date of Assessment 18 Dec 2017

## **Description of Service / Policy**

The Parish Lengthsman Scheme provides a mechanism for local delivery of low value specific highway maintenance works that are important to Parish and Town Councils and their local communities and delivered by a directly employed operative, such as grass cutting, sign cleaning and sweeping of footways.

Geographical impact\* Basingstoke & Deane East Hampshire Eastleigh Hart New Forest Test Valley Winchester

## **Description of proposed change**

It is proposed to expand the current scheme from 137 participants in order to accommodate additional town and parish councils that have expressed in the scheme so that they may take advantage of the benefits of the scheme.

## **Engagement and consultation**

Has engagement or consultation been carried out? No

## **Impacts of the proposed change**

This impact assessment covers Service users

---------------------	---------

Gender	Neutral
--------	---------

Marriage and civil partnership	Neutral
--------------------------------	---------

Pregnancy and Maternity	Neutral
-------------------------	---------

**Other policy considerations**

Poverty Neutral

Rurality Neutral

Neutrality Statement The Parish Lengthsman Scheme seeks to ensure that local highways and amenity issues are resolved at a local level promoting a good quality of life, now and in the future. It seeks to benefit all users encompassing all those with protected characteristics, and the flexibility of local prioritisation provides scope to address particular issues at a community level.
