Project Integra Action Plan 2018-2012

Accountable officer: Sam Horne

Email address: charlotte.parfitt@hants.gov.uk

Department: Economy, Transport and Environment

Date of assessment: 23/04/2018

Description of current service/policy

The 3 year action plan is to be delivered by all of the waste collection and waste disposal authorities in Hampshire and aims at reducing the cost and increasing the performance for all partners of managing collecting, storing and disposing of waste.

Geographical impact: All Hampshire

Description of proposed change

The Action plan sets out a series of strategic projects to be delivered within the partnership, some of which are continued from the previous plan and others are new. The action plan sets out to improve the services offered to residents across Hampshire and deliver improved waste prevention, recycling and financial performance.

Impacts of the proposed change

This impact assessment covers Service users

Engagement and consultation

Has engagement or consultation been carried out? Yes

The action plan has been presented to debated and approved by the Project Integra Strategic Board and is now going to each individual authority for approval.
