

T19 Parking Project Update

Accountable officer: Marc Samways
Email address: marc.samways@hants.gov.uk
Department: Economy, Transport and Environment
Date of assessment: 11/06/2018

Description of current service/policy

The County Council, as the Highway Authority, is responsible for on-street parking enforcement where civil parking enforcement exists. The District Councils currently undertake parking enforcement on behalf of the County Council via agency agreements

Geographical impact: All Hampshire

Description of proposed change

The report outlines potential future options for the delivery of the parking enforcement service and seeks approval for the development and introduction of on-street paid for parking.

Impacts of the proposed change

This impact assessment covers Service users

Engagement and consultation

Has engagement or consultation been carried out? Planned

Initial discussions have been held with district and borough councils, who currently operate on-street parking on the County Council's behalf, with further discussions to follow. Individual proposals for on-street chargeable parking will be subject to consultation with County Members with any proposals taken forward subject to statutory consultation via the Traffic Regulation Order process.
