

# Equality Impact Assessment

Name of project/proposal	Cabinet Report on Major Developments and Infrastructure Funding
Originator	McCulloch, Laura
Email address	laura.mcculloch@hants.gov.uk
Department	Economy, Transport and Environment
Date of Assessment	23 Nov 2017

## **Description of Service / Policy**

The purpose of the report is to update Cabinet on the latest position with regard to major developments within Hampshire, and on the closely related issues of developer contributions and infrastructure funding. This update follows an earlier report considered by Cabinet in October 2014 on strategic infrastructure planning and delivery.

Geographical impact\* All Hampshire

## **Description of proposed change**

Recommend that the proposed approach to strategic development and planning be agreed; the proposed approach to the Welborne motorway access improvement be approved; allocation of any CIL funds transferred to the HCC that are not identified for a specific scheme be prioritised to the broad areas in which they are collected, and allocations reflect local HCC capital investment priorities; and the Director of ETE be given delegated authority to negotiate with the LPAs operating CIL in order to seek amendments to the Regulation 123 list, and to finalise the allocation of CIL resources to specific projects as appropriate.

## **Engagement and consultation**

Has engagement or consultation been carried out? No

The County Council is engaging with its partner districts and boroughs on major development and infrastructure funding as a matter of course, but no specific engagement or consultation has taken place in relation to this report.

## **Impacts of the proposed change**

This impact assessment covers HCC Staff (and partners)

***Additional Information***

This is primarily an update report on major developments, planning practices, recent national funding opportunities and the Community Infrastructure Levy. It seeks approval for partnership working with the district councils with regard to the Community Infrastructure Levy and an approach to allocating funding. Specific infrastructure schemes would be subject to full equalities impact assessments.
