Description of current service/policy

The proposal is to prepare an environment strategy for the County Council. This will be the first such strategy.

Geographical impact: All
Hampshire

Description of proposed change

The proposal is to prepare an environment strategy for the County Council. The strategy will set out the environmental principles and priorities in relation to its activities to ensure that there is an overarching, high level, framework, covering both the natural and built environments, providing a consistent, coordinated and coherent framework. The strategy will contribute to the County Council's climate change objectives.
