Purpose of this paper

1. This paper and attached annexes follow on from the previous presentations and reports about the **Hampshire Skills Strategy 2025** (<https://documents.hants.gov.uk/hampshire-prosperity-partnership/HampshireSkillsStrategy2025.pdf>) and **Get Hampshire Working Plan** (<https://www.hants.gov.uk/aboutthecouncil/strategiesplansandpolicies/get-hampshire-working-plan>) to HPPB, and form part of the ongoing commitment to provide regular progress reporting.
2. The two Progress Reports at Annexes 1 and 2 have been RAG-rated and updated since the last reports were shared for the 13 July HPPB meeting.
3. At the meeting, Jamie Mackay will present an overview using the slide deck at Annex 3, with some headline updates and key questions for consideration. These include:
 - Are there any particular expectations from HPPB for each of these strategies in 2027?
 - What role does HPPB see the Hampshire Skills Partnership playing as the Combined Authority prepares to take on skills and employment responsibilities?

- How can HPPB help the Combined Authority to develop its approach to skills and employment for Hampshire and the Solent?
