The Hampshire Prosperity Partnership

The **Hampshire Prosperity Partnership**¹ brings together partners across sectors and across the Hampshire region, to work together to drive economic growth in Hampshire. It was established following the transfer of responsibility for Local Enterprise Partnership functions to Hampshire County Council in April 2024.

The partnership is governed by the **Hampshire Prosperity Partnership Board** and includes the **Hampshire Skills Partnership**², which reports into the Board.

The purpose of the Hampshire Skills Partnership is to work collaboratively across Hampshire's skills system to influence and shape provision to meet the current and future needs of employers, individuals and communities; to support participation, opportunity and prosperity for all. Members of the Hampshire Skills Partnership include:
