WORKS POSPONED

IMPORTANT INFORMATION REGARDING HIGHWAY WORKS IN YOUR ROAD

The planned resurfacing works on Swing Swang Lane, between Daneshill Roundabout and Great Binfields Roundabout, will unfortunately need to be postponed.

Whilst this decision is quite late, it has been made as we had hoped to resolve a number of drainage issues at this location without the need for excavation. However, it has now become apparent that this will not be possible. To avoid the need to excavate a newly resurfaced carriageway, we have therefore taken the decision to delay the resurfacing works until we are satisfied that the drainage issues can be addressed appropriately.

Unfortunately, at this stage, we are unable to provide a timescale for when the drainage issues will be resolved and the resurfacing works can be rescheduled.

Please accept our sincere apologies for any inconvenience this may cause.
