IMPORTANT INFORMATION REGARDING HIGHWAY WORKS IN YOUR ROAD

What will we be doing?
We will be carrying out drainage cleansing and investigation works.

Where are the works being carried out?
A30 London Road, Hook from Foundary Close to Reading Road, and Station Road, from Bell Meadow Road to roundabout.

Due to the close proximity of these works local residents and business may experience some noise disturbance overnight. We are aware of the issues created by night working and will endeavour to keep noise levels reduced whenever possible.

When is the work starting and how long for?
Starting on Monday 9th November 2026 and are expected to take up to **10 NIGHTS (Mon to Fri**) to complete.

Will you need to close the road?
No, as the works are going to be carried out under temporary traffic lights, which will be in operation from 20:00 to 06:00 each night.

How can I help?
In order to help us complete the work as quickly as possible, please ensure that no vehicles are parked in the road on the days of the works. **Please be aware, any vehicles left parked on the road that prevent the works taking place, face the risk of being removed.** If you know you will need to use your car whilst the works are ongoing, then parking at an alternative location will allow the operatives to complete the works quicker without interruptions.

For further information Visit One.Network – https://one.network/?GB153115835 , https://one.network/?GB153115165 & https://one.network/?GB153116273 is where our planned works are published and is an independent platform that allows real-time monitoring of all the UK's roadworks and diversions.
