Good afternoon,

Since 1st June 2023 ATE has been a statutory consultee on all planning applications for new developments that meet or exceed one or more of its application thresholds. This statutory consultee role does not extend to plan-making consultations, therefore ATE does not respond to any consultations that it does receive. However, ATE has commissioned an independent review of its planning service and undertook a Local Plan Discovery Project to scope out opportunities for ATE's involvement in local plans in the future. ATE is currently considering the recommendations from this work. Should there be any changes to ATE's role in plan-making then Local Planning Authorities will be advised in writing.

Should you have any queries on the above then please get in touch with the team at: Planning-Advice@activetravelengland.gov.uk.

Many thanks,

Development Management Team, Active Travel England,
