

## **HAMPSHIRE COUNTY COUNCIL RESIDENTS' PARKING SCHEMES**

**AUGUST 2023**

### **Business Permits- Terms and Conditions**

A Business Permit is available to employees of organisations that are located in roads with restricted permit parking.

Permits will be valid for a period of 12 months from the date of issue.

The permit will be valid in the resident permit zone or yard (Basingstoke only) selected in the application.

The valid resident zones are –

- **All resident permit zones in Eastleigh**
- **Fairfields Zone, Chequers Road Zone and Zone A in Basingstoke**
- **Church Road Zone in Fleet**

The valid yards in Basingstoke are –

- **Anchor Yard**
- **Haymarket Yard**
- **Jacob's Alley**
- **Joices Yard (1 bay only, remaining bays managed by Basingstoke & Deane Borough Council)**
- **Red Lion Lane**

Prices vary depending on the zone and the permits are non-refundable.

Vehicle registrations can be changed through your MiPermit account.

The permit must only be used when carrying out business duties. The council has the right to withdraw entitlement to a permit or cancel a permit for misuse.

If the permit holder resides in a residents' permit zone, the permit cannot be used as an alternative to a residents' permit to increase eligibility.

The permit is only valid in 'Permit Holder Only', 'shared use' or 'Business Permit holder only' parking bays.

The applicant is required to upload a copy of a letter on company headed paper and proof of business address. The permit application will be rejected if insufficient evidence is supplied.

A permit does not allow you to park illegally, nor does it guarantee a space. Permit holders must park in accordance with the terms and conditions of the permit scheme as well as any waiting restrictions present. Failure to do so may result in the issuing of a Penalty Charge Notice.
