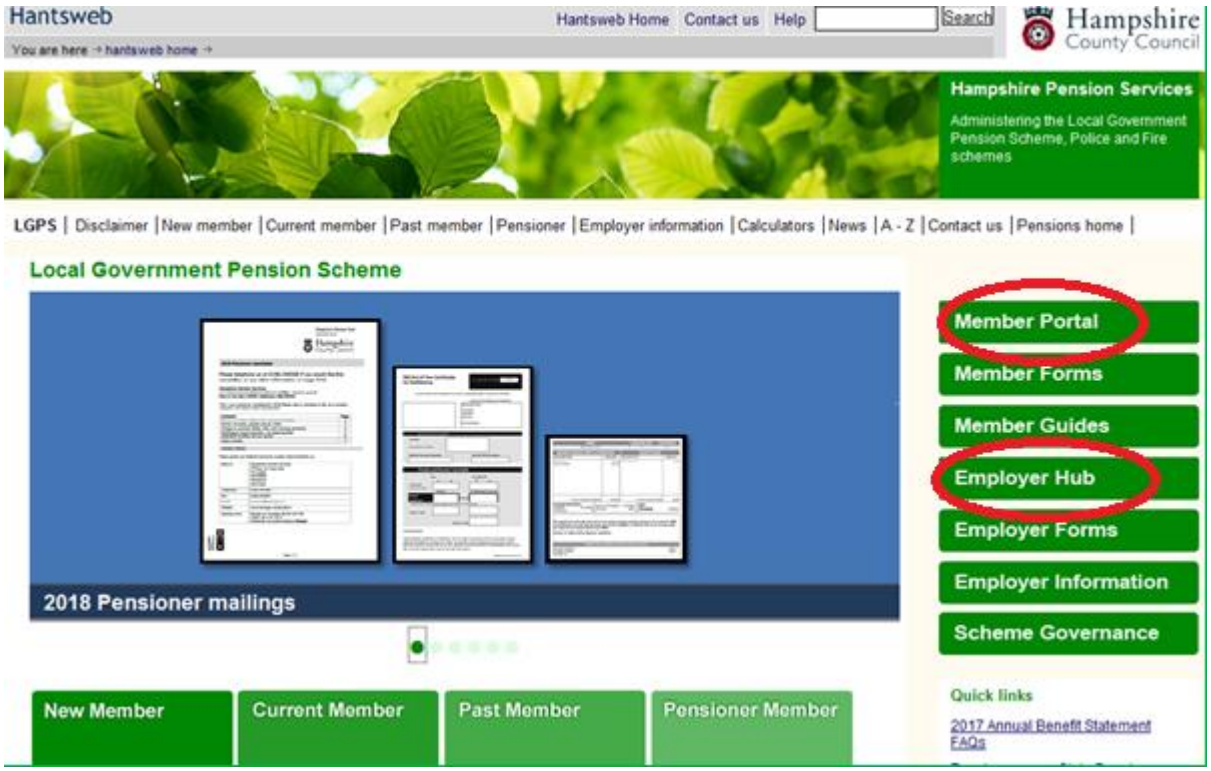
Good afternoon,

Just to make you aware, there will shortly be some changes made to our Local Government Pension Scheme homepage as below – 'Member Self Service' is now known as 'Member Portal' and 'Employer Web' is now known as 'Employer Hub'.

Following feedback from Employers, using 'Employer Hub' will make it easier for you to distinguish between our website and a link to our UPM system.

We are currently working on amending all outgoing communications to update the wording. Please let Employer Services know if you come across anything that contains 'Member Self Service', or 'Employer Web' by emailing pensions.system.team@hants.gov.uk



Shortly, this image will be live on our website.

Attached is the current Hub navigation guide for information.

Please let us know if you have any problems.

Kind regards,

Employer Services
