

Smoking/Vaping PREVENTION SESSIONS

for professionals working with young people

Join No Limits for a free 3-hour smoking and vaping prevention workshop for education settings in Hampshire. The workshops aim to provide essential information, advice and guidance to support staff working with young people.

Online sessions via Zoom take place on Thursdays from 4–7pm. Please select a session from the dates below to join us.

February 22nd & 29th
March 7th, 14th, 21st & 28th
April 18th & 25th
May 2nd, 9th, 16th & 23rd

- We can also offer free additional support and face to face training in your setting on request
- Alternative session dates/times available on request
