## Smoking statements

Find out if pupils agree or disagree with the following.

- It is right that smoking is banned in public places.
- People who become ill as a result of smoking should have to pay for their own health care.
- Adults should not be allowed to smoke in the presence of children.
- Pupils that smoke in schools should be punished.
- Cigarettes should be made more expensive.
- There should be 'Stopping Smoking' support for pupils who wish to give up smoking.
- It is often not the shopkeeper's fault for selling cigarettes to under 18s, as many young people appear much older.
- Banning smoking in cars with children present was a good idea.
