

## Student Kit List

### **Clothes for activities**

For all activities comfortable, non-restrictive clothes and sensible fastening footwear are essential. Jeans are not suitable. For those participating in Kayaking, a complete change of clothes, including footwear, is required.

### **Valuables and electrical appliances**

Although Tile Barn is a safe and secure site, we cannot lock tents and do not provide lockers for possessions. Visitors are requested not to bring unnecessary valuables as Tile Barn cannot accept any responsibility for lost or damaged items. Please note that there are no electrical facilities for those camping, this includes charging mobile phones.

### **Lost property**

We recommend that all clothes and possessions are clearly labelled. We hold lost property for two weeks so if you do leave anything at Tile Barn please contact us as soon as possible.
