

Hampshire
2050

Whitehill and Bordon Transport Funding Summary December 2025

S106 Overview December 2025

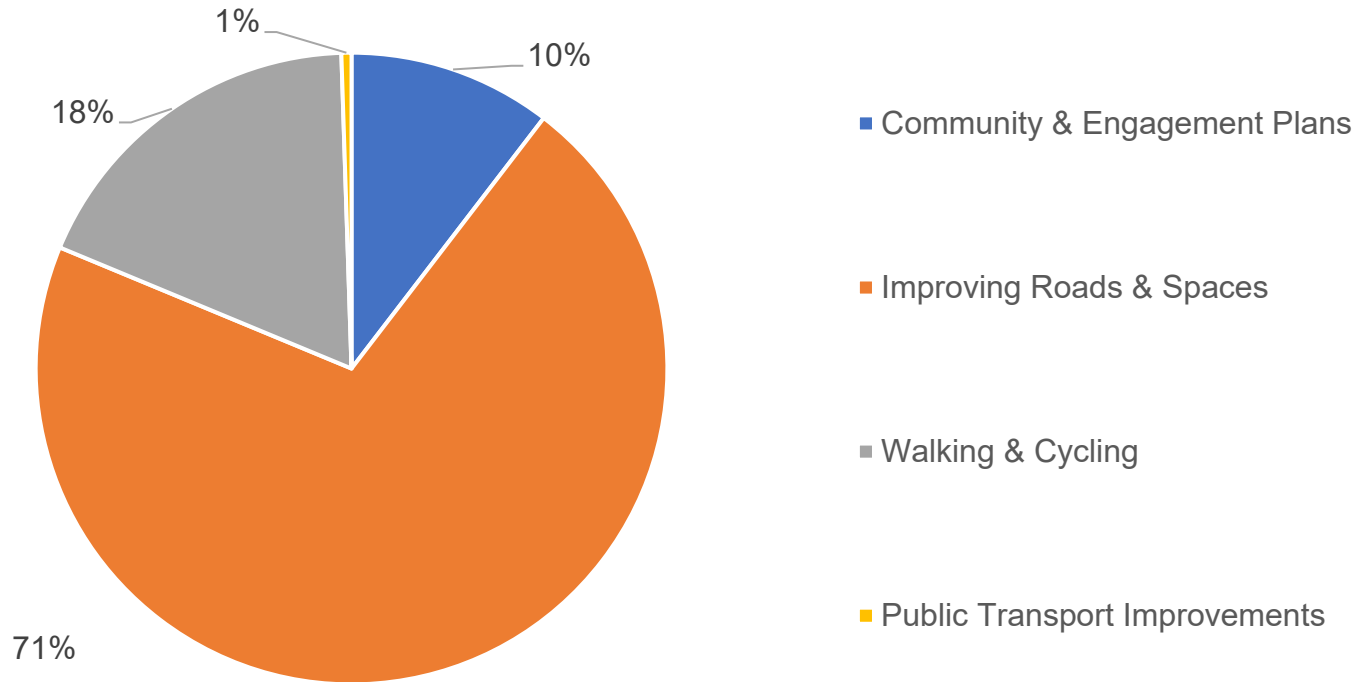

Key things to note:

- this shows the money contributions from developers (S106) for transport improvements in Whitehill and Bordon
- it is held by Hampshire County Council and has been spent or promised for i.e. committed
- total S106 received is all of the S106 money
- total spent is what we have spent in total so far
- total committed is out of all the S106 we received, this is the amount remaining that has been allocated to schemes
- total available is out of all the S106 we received, this is the amount remaining in the funding pot unallocated to schemes yet but will need to be as part of the Transport Plan for the area
- no new S106 money is expected to be available for use until 2030

Disclaimer:

All figures shown have been estimated at this stage and will be checked at the end of the financial year.
The funding excludes the revenue money for running the bus services.

Committed Schemes December 2025

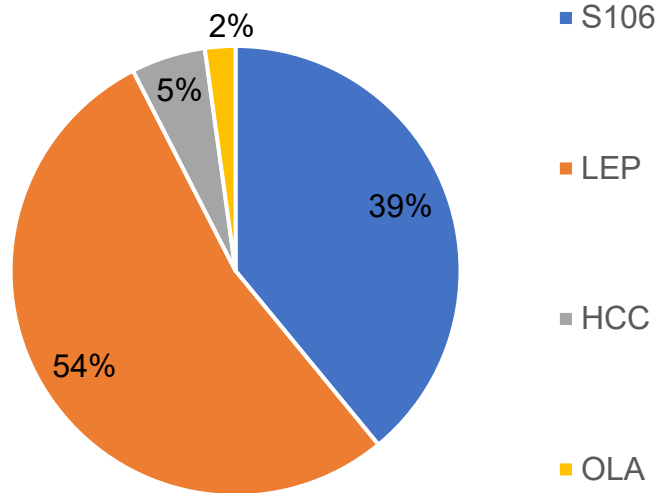

Key things to note:

- these committed schemes are the types of schemes that the S106 money has been spent on or promised for
- these schemes are to make it easier and safer for people to get around Whitehill and Bordon with some being part of future plans proposed in the Transport Strategy

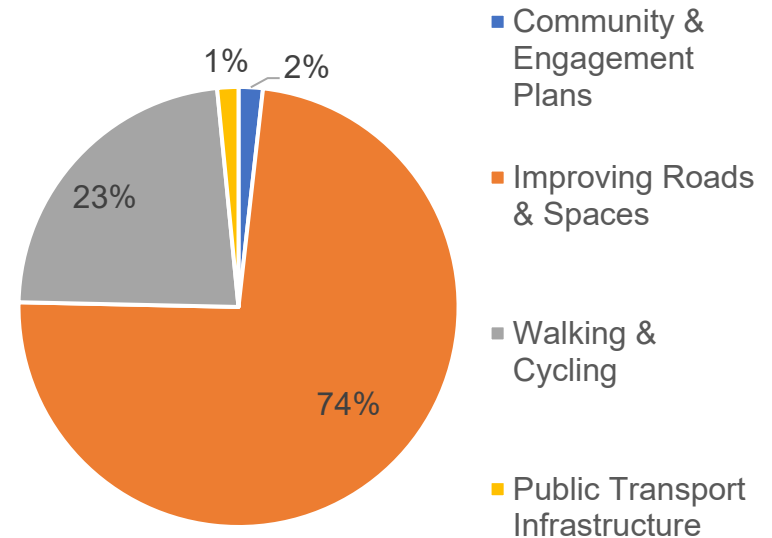

Disclaimer:

All figures shown have been estimated at this stage and will be checked at the end of the financial year.
The funding excludes the revenue money for running the bus services.

Overall funding - £45m

All Funding by Scheme Type

Key things to note:

- there has been nearly £45 million overall for transport improvements over the years from various funding sources, as well as from S106
- this includes money from the Local Enterprise Zone, and other local authorities which is not S106 money
- these have been across many types of transport schemes, to support Whitehill and Bordon's community

Disclaimer:

All figures shown have been estimated at this stage and will be checked at the end of the financial year.
The funding excludes the revenue money for running the bus services.
