

ECLIPSE BUSWAY

COMPLETION OF PHASE 1

DECEMBER NEWSLETTER

Programme completion: Autumn / Winter 2021

PROGRESS UPDATE

- Good progress is being made and the works are ahead of schedule. To reflect this the completion date has been revised to Autumn/Winter 2021, from Spring 2022.
- Henry Cort Way is now fully operational again following the removal of the temporary section of footpath.
- With the recent heavy rainfall, a temporary water pump has been installed on-site to prevent flooding.
- Works on the retaining walls have commenced at Rowner Road. As a result, the northern footway on the bridge has been closed, while the southern side has been widened to allow for cyclists and pedestrians to pass. A temporary Toucan crossing has been installed to allow safe access to the southern footpath and this will be operational until the scheme completion.
- Drainage works continue to progress well, with several manholes already constructed.

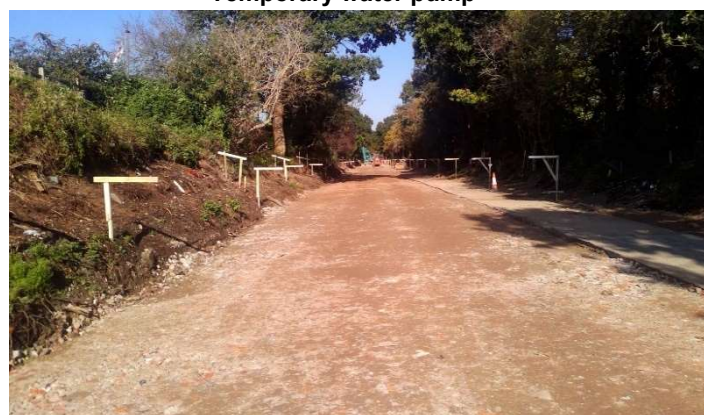

Henry Cort Way reopened

Temporary water pump

Works to the retaining walls at Rowner Road

Progress on the northern end of the scheme

ECOLOGY / ENVIRONMENT

- Vegetation clearance is being carefully managed with ecologist support.
- Regular ecology walks are being carried out to ensure the wellbeing of the badgers.
- Works are being conducted in strict accordance with Natural England licences.
- Acoustic mats have been installed to help mitigate the noise of the water pump.

Site activity underway

STANDARD WORKING HOURS

7.00am – 6:30pm Monday – Friday

8.00am – 5.00pm Saturday

Every effort is being made to minimise disturbance.

 **Christmas working hours** – Dyer and Butler will stop works for Christmas on 21 December 2020, returning on 4 January 2021.

The site will be staffed and monitored throughout the Christmas closure.

Rowner Road temporary Toucan crossing

The main construction works are being carried out on behalf of Hampshire County Council by our contractor Dyer and Butler.

The contractor is following national COVID-19 guidelines and adhering to social distancing regulations.
