

Ladybridge Roundabout

3. Funding

Transforming Cities Fund

- Portsmouth City Region awarded nearly £56m through the Department for Transport's Transforming Cities Fund (TCF)
- Hampshire County Council will deliver schemes in 8 locations by March 2023, at a cost of £19.6m
- Schemes aim to improve public transport, pedestrian and cycle facilities across the boroughs of Gosport, Fareham and Havant
- The objective of the Ladybridge Roundabout scheme is to improve bus journey times on the approach to the A3 London Road/ Ladybridge Road junction
- The scheme would be delivered by Hampshire County Council

4. Scheme Overview Plan

Ladybridge Roundabout

6. Key Features - Benefits

Improve bus service journey time reliability

Potential additional benefits could include:

- increase modal shift
- reduced congestion
- environmental improvements

Ladybridge Roundabout

7. Ecological and Environmental Considerations

Environmental commitments associated with the scheme:

- Minimise loss through design - the scheme does not remove any existing trees or hedgerows
- Hazel Dormice surveys to support hedgerow trimming activities
- Provision of a Construction Environmental Management Plan during the construction phase
- Provide enhancements to any local existing biodiversity and botanical features where possible
