Employee attitudes towards sustainable and active travel - please indicate the number of employees who support the following statements	
My workplace could do more to facilitate sustainable travel to work.	
I am not interested in improving the organisation's efforts to improve sustainable travel options.	
I think active travel options such as cycling to work would positively impact my health.	
I think active travel options such as cycling to work would make me a happier employee.	
Sustainable travel is something I have always been interested in.	
I have never thought about promoting sustainable travel before, but it is something I now wish to support.	
I have heard of the cycle to work scheme before.	
I have not heard of the cycle to work scheme before.	
I have wanted my organisation to join up to the cycle to work scheme before.	
I already utilise the benefits of a cycle to work scheme and have used the scheme to purchase a bike of my own.
