Can I upcycle it?

Try giving tired furniture a lick of paint or new fabric to make it like new!

Reuse

Don't dump it, donate it!

Buying donated furniture can save you money, support local charities and reduce your impact on the environment

Can it be fixed?

Visit our website to find a repair café near you where volunteers can help fix your items

Where can I donate it?

See left or check our online map to find places you can donate your old furniture, electrical appliances, clothes and other household items.

Don't forget...

You can also find a bargain or rehome your items online on the many online marketplaces and sites like Frengle

Top tips for donating:

- Make sure furniture such as sofas and mattresses have a fire label attached
- Check electrical items work
- Many charities will collect your items for free or a small charge
